Come prepared, though. You'll need lots of determination and motivation. Challenges are going to be all over and the deadlines will flow at a fast pace. But don't worry. There will be plenty of fun and you will get to know youngsters from all around Europe.

Don't forget to bring along some traditional snacks from your own country. Give the others the chance to taste them and also to have a sip of your strong and flavoured drink.

What are you waiting for?

## Travelling to the venue...

Okay, soon you'll be on your way to Denmark. Unless you come by bike or drive thousands of kilometers, we strongly advise you to use Billund airport for your flight. In this way we can pick you up once you land and bring you safely to the facility. However, if you're flying to Copenhagen, then you will need to take the train/bus to Rødekro.

Drop us an email before you book your tickets. We have to confirm your itinerary in order to make sure you're travelling to the right country. You know, just in case.

Based on your original receipts and boarding passes, we will reimburse your travelling expenses no later than 3 weeks after the project is done.
