

Youth exchange Peace, Love and Care

1-10 June, 2016 Kobuleti, Georgia

"Don t let People Pull You into their Storms, Pull them into your Peace " Kimberly Jones

The youth exchange will bring together young people from different countries to use music as a tool to contribute in peace building movement. The project intends to make a music video clip for peace; the music will be voice for youth to support peace initiatives.

This will strengthening the capacity of young people to deal the potential conflicts but use Music-art and culture as a tool for stressing cultural values in order to build up inter-cultural dialogue, peace initiative and combat violence and racial harassment.

Since Music is a very influential instrument of communication, the participant's creation of music and clip should be an attractive way of dealing with the issues of Conflict. On the other hand, knowing how to live under common roof in international community, tolerate, be integrate and to becoming responsible citizens and to actively contribute to civic life in their local societies.

The project will take a stand against discrimination, bullying, Violence and Racism.

The project includes various interesting methods Role and simulation games, presentation, working groups, discussions and reflation groups. The youth exchange mobilize young people to use Art, theatre, music, photography, short movies as a tool for stressing cultural values.

Intercultural Learning will support the youth mobility, their active participation in ERASMUS + and development common projects, participants will learn how to use the different possibilities of Erasmus + gives.
